To Whom It May Concern:

I am writing this letter in support of the Twelve-Step Education Program of New England and the work they do on behalf of recovering addicts and alcoholics. The Twelve-Step Education Program has been located in the Town of Billerica for the past four years without incident. As a Selectman, I am very pleased with the presence of such helpful courteous and all around good neighbors in our Town. Not only are the residents of the house active in the community but Phil Malonson makes it a point to work with our locals schools and drug awareness programs.

I concur with the Chief of Police of Billerica that the Twelve-Step Education Program in Billerica is an asset to our community. We have had no problems and any town would be lucky to have such neighbors in their community.

If I can be of any further assistance, please do not hesitate to contact me.

Very truly yours,

James F. O'Donnell, Jr.
